

Buddina Community Garden Meeting Minutes 5 July 2012

Buddina Community Garden Official Launch - The recent Official Launch of the Buddina Community Garden was a great success. We had about 80 participants despite the unfavourable weather. The day provided an opportunity to not only celebrate our success so far but to thank the many participants who have contributed to its development. The Buddina Community Garden thank the Hon. Jarrod Bleijie and Deputy Mayor Chris Thompson for officially opening these gardens to the community. The Buddina Community Garden committee also thank the wonderful people who made every effort to make our food absolutely amazing. It's almost worth building another community garden to enjoy the same cuisine. Special thanks to Cathy Plummer, Suzie Hutchison, Jenny Hughes and Cafe Envy Mooloolaba.

Working Bees - At Trevor's suggestion, the Association has decided to hold regular working bees on the first Saturday of every month. These working bees commence at 9 am. All members of the community are welcome to attend.

Garden Plot Lease forms - We have constructed garden plot lease forms that must be filled out by all members leasing garden plots. This form will be available on our website.

Sign for education - Debe Crotty, principal of Buddina Primary School, has written a wonderful statement describing the use and function of the Buddina Community Garden. This statement will be placed on two signs with the aim of educating the community about the community garden.

Committee Positions within the Association - Committee positions have been nominated within the Association.

President and Secretary - Elise Barry

Treasurer - Chris Halley

Garden Bed Manager - Suzie Hutchison

Shed Manager - Suzie Munroe

Compost Manager - Michael McCuaig

Construction & Maintenance - Trev and Kevin Asmus

Grants and Funding Subcommittee - Mary McCormack and Helen Bauman

New email addresses relevant to these committee positions have been posted on the Contact Us page on the website.
