- The garden area is open dawn until dusk, seven days a week
- Family members are welcome to the garden site and children are welcome but must be accompanied by an adult

- Our gardens are in development stage. Leasing of garden beds is estimated to begin June, 2012 depending on financial support. Rules for leasing beds will be provided to all members closer to the time. Leasing of garden beds will be for 6 months with option to renew and will be available to financial members only
- We request that all members volunteer their time for general maintenance to keep the garden site looking good. The use of the site is contingent on our ability to maintain it. Members are required to help in at least 4 Working Bees per year
- Members should provide their own drinking water (water on site will not be drinking quality)
- Members should wear appropriate clothing for the weather – sunhat, covered shoes, sunscreen
